(c) Prospects of economic betterment, desire to emigrate or extend their period of stay are the principal motives of asylum-seekers, even though the ostensible reason invariably given by asylum-seekers is political and police persecution.

(d) The German Government has given asylum to seven Indians during the last ten years.

(e) The Government has brought to the attention of the German Government that there is no case for giving asylum to Indians since there is no persecution in India on account of race, religion or political opinion and that various democratic institutions exist for redressal of citizens' grievances.

Bifurcation of All India Handlooms and Handicrafts Board

*337. SHRI BHUBANESWAR KALITA:
SHRI SURESH KALMADI:

Will the Minister of TEXTILES be pleased to state:

(a) whether it is a fact that Government propose to bifurcate the All India Handooms and Handicrafts Board into two separate and independent entities i.e; the All India Handicrafts Board and All India Handlooms Board; and

(b) if so, what are the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) Yes Sir, The All India Handlooms and Handicrafts Board has been split into two separate bodies i.e; The All India Handlooms Board and the All India Handicrafts Board, constituted on 17.12--91 and 27.12.91 respectively.

(b) Firstly, the joint All India Handlooms and Handicrafts Board had become rather unwieldy in size. The last Board had 81 members. Secondly, it was felt that because of its unwieldy size, the Board could not devote adequate time and attention either to handloom or to handicrafts sector. There was a consensus of opinion among the members of the previous Board that there should be separate Boards for Handlooms and Handicrafts sectors. In view of the above reasons, the All India Handlooms and Handicrafts Board has been split into two bodies, and two smaller and compact Boards namely the All India Handlooms Board and All India Handicrafts Board have been constituted.
